

June 2020

Dear Valued Supplier,

At Coty, our mission is to delight consumers around the world by focusing on fragrance, cosmetics and skin care, and consolidating our position as a global leader in the world of beauty. Over recent years, we have been implementing a series of changes intended to transform our business.

The next step in our journey is to streamline our organizational set-up and move towards a new culture and way of working. In order to achieve this, on May 1, 2020, Coty **co-located most of its leadership and global functional teams.**

After an extensive search and careful consideration, the company has decided to **base its management headquarters in Amsterdam (Netherlands).** This will involve transferring and consolidating some parts of the business into new legal entities. Those new legal entities are new Coty affiliates.

As a result, from **July 6, 2020**, the Purchase orders and blanket orders for the Consumer Beauty and Luxury division business will be issued by Coty International BV instead of HFC Prestige International Operations Switzerland Sàrl.

The operation of our businesses of Professional Beauty will remain in HFC Prestige International Operations Switzerland Sàrl.

As we move through this transition period, please pay close attention to the Legal Entity specified in each of the orders and supplier programs as you potentially could receive orders from both Legal Entities.

Below changes are relative to the new Legal Entity in Amsterdam

Legal Entity	Address
Coty International BV	Buitenveldertselaan 3 1082 VA Amsterdam Netherlands

With the change in legal entities, there will be changes to the invoice management process

Please note that our manufacturing sites operations are not impacted by this change.

Invoicing process changes

From **July 6, 2020**, any invoice submitted to the new legal entity will have to be addressed to:

Bill To Address	VAT ID	PDF Invoices	Paper Invoices
Coty International BV Company Code 4000 Buitenveldertselaan 3 1082 VA Amsterdam Netherlands	See appendix	PDF_Amsterdam_4000@cotyinc.com	Coty International BV Company Code 4000 Attn: SSC ACCOUNTS PAYABLE P.O. Box 348, 2130 AH HOOFFDORP, The Netherlands

Coty’s preferred option is to receive invoices in PDF format, so we would like you to use this format in order to expedite the processing of invoices.

For any good receipt after July 1, 2020, the invoice should be issued with the new PO number and new Legal Entity mentioned in the purchase order. The New Purchase order number/Blanket Order Number will be communicated to you from July 5, 2020, onwards through the supplier program. The first digit of the old Purchase Order number will be replaced by a letter T. The new Purchase Order number will be provided by Coty in the Supplier Program along with a conversion table.

For any item previously invoiced but No Goods receipt has occurred before July 1, 2020, the initial invoice should be cancelled and reissued with the new Purchase order number/Blanket Order Number and new Legal Entity mentioned in the purchase order. Check against your expected delivery date to identify this situation.

This should not result in a change in Ship To addresses but will result in a change of VAT ID information. Please refer to the header section of your Purchase Order for Delivery, Bill To, VAT ID Number and Invoice To information.

Please be advised that deliveries and systems will be frozen from 1st to 5th of July 2020, both included, which is a Blackout period dedicated to an internal system change. Please check the list of DCs impacted in the Appendix section.

Please do not hesitate to contact your Coty business partner, if you have any questions or would like to further clarify this upcoming change.

Contacting us for support

Enquiries must be made by emailing or calling the Accounts Payable (AP) Help Desk team. Contact information for the Help Desk can be found in the appendix. When contacting them, please ensure you have the following information available or included in the body of your email:

The AP Help Desk team will also be your point of contact for **credit applications** or **VAT certifications requests**. Requests should be submitted as soon as possible in order to ensure that there is enough time for the creation of the new legal entity in your system.

Assignment approach

As our business partner, you may have contractual documentation or agreements with Coty where a subsidiary appears as the ultimate parent company (the Agreement). As far as Coty is concerned, any reorganization of Coty's legal business structure, which may impact direct or indirect ownership of a subsidiary, does not substantially impact the business relationship Coty has with its counterparts. We hereby give you notice, if any is needed, that as per 1 July 2020 (or such other date that we may notify you), we will transfer (through assignment, novation or any other means of transfer) the Agreement (including also all of our rights, obligations, title, interest and benefit to monies due and payable to us by you under the Agreement) to the new Coty Affiliate - Coty International BV- ("the Assignee").

If you have any concerns regarding this transfer of the Agreement, please get in touch with your main commercial contact at Coty.

Data privacy

As a result of this change, any information we hold and process, including personal data, will be transferred to the new legal entity. Coty will protect your information and only use it in accordance with applicable laws and our Privacy Notice, available at <https://www.coty.com/privacy-policy>. Please contact the AP Help Desk team if you require additional information.
